Want to be a Conference Session Speaker?

Apply by December 31st, 2011

Self-Advocates from many Regions are working with us to find self-advocacy workshops **from throughout the State on self-advocacy topics**. See next page for topic categories.

As in the past, **self-advocates** are the session **speakers**. Professionals or others can play an important role by helping people practice, get ready to present, & be in the audience during sessions (if registered to attend the conference).

Filling Out the Speaker Application Form

To apply about a session:

- 1) complete **both sides** of the attached Speaker Application Form to tell us about the session you want to present
- 2) **return** it to us by fax or mail

Please note that all conference speakers & helpers DO pay regular conference registration fees.
